**in** <https://www.linkedin.com/in/ziad-magdi-b80a05220>

## Experience

- **BI developer** 1/7/2023 - 1/8/2023  
practical training for a whole month, 7 hours a day, learning how to become a BI developer.  
During this period, I learned well how to deal with databases and data warehouses, and finally how to collect data, clean it, and then display it in a Dashboard or report.

## Education
